

Institutional Capability Statement

2026

"The reliability of a factory, the finish of a tailor."

ABOUT US

Modish Formals is an industrial-scale garment manufacturing and institutional supply powerhouse based in Abuja, Nigeria. We bridge the gap between heavy-duty manufacturing volume and bespoke tailoring standards, delivering bulk uniforms that command professional respect.

CORE METRICS & CAPABILITIES

Production volume	1,000 garments a day.
Quality assurance	Strict ± 2 mm tolerance, checked per individual unit.
Delivery standard	Optimised 14-day standard turnaround timelines.
Industrial infrastructure	Fully equipped production facility with advanced machinery, managed by expert tailors and production technicians.

OUR PRODUCT LINES

Modish School	High-durability institutional wear, blazers and daily uniforms.
Modish Medical	Professional scrubs, lab coats and clinical wear built for heavy daily sanitisation.
Modish Corporate & Service	Tailored executive suits, staff uniforms and branded operational wear for banks, hotels and agencies.
